TOWN AND COUNTRY PLANNING
(TREE PRESERVATION)(ENGLAND)REGULATIONS 2012**

Tree Preservation Order:

**SOUTH KESTEVEN DISTRICT COUNCIL (LAND AT 7 HIGH
STREET, GRANTHAM)TREE PRESERVATION ORDER 2022**

On 18 July 2022 we made the above tree preservation order, and sent you a copy.

We have considered whether or not the order should be confirmed (or in other words, made permanent). On the 12 September 2022 the Council decided:

To confirm the order

The sycamore tree has high visibility. It is a material green feature in the surrounding built landscape. Its loss would harm the appearance and enjoyment of the conservation area by members of the public. Established trees like this are an important wildlife habitat that help filter pollutants making the air cleaner. They help mitigate climate change and cool urban heat islands. For more information about our decision, please contact Cat Sutton on 01476 406080.

If you wish to cut down, top or lop any of the trees described in the first schedule of the order and shown on the map enclosed with the order permission must be obtained from South Kesteven District Council before any work is carried out on the trees. If you require help or information please contact the Council's Development Management Services, South Kesteven District Council, Council Offices, St Peter's Hill, Grantham, NG31 6PZ.

If you disagree with our decision you can challenge it by applying to the High Court under section 284 (validity of development plans and certain orders, decisions and directions) of the Town and Country Planning Act 1990. You can apply to the High Court if you believe:

- (1) the order is not within the powers of the Town and Country Planning Act 1990; or
- (2) the requirements of Town and Country Planning (Tree Preservation) (England) Regulations 2012 have not been met.

You must apply to the High Court within six weeks from the date of our decision.
