TOWN AND COUNTRY PLANNING (TREES) REGULATIONS 1999**

**Tree Preservation Order: SOUTH KESTEVEN DISTRICT COUNCIL  
(GRANTHAM, FORMER GRANTHAM POLICE  
STATION, STONEBRIDGE ROAD, GRANTHAM)  
TREE PRESERVATION ORDER 2011.**

On 23 September 2011 we made the above tree preservation order, and sent you a copy.

We have considered whether or not the order should be confirmed (or in other words, made permanent). On 11th November 2011 the Council decided:

**To confirm the order.**

**The decision to confirm the order was made as no objections to the making of the order were received. The trees contained within the order both individually and in groups have collective merit and are important to the character of the locality and have significant visual amenity.**

If you wish to cut down, top or lop any of the trees described in the first schedule of the order and shown on the map enclosed with the order permission must be obtained from South Kesteven District Council before any work is carried out on the trees. [If you require help or information please contact the Council's Development Management Services, South Kesteven District Council, Council Offices, St Peter's Hill, Grantham, NG31 6PZ.]

If you disagree with our decision you can challenge it by applying to the High Court under sections 284 and 288 of the Town and Country Planning Act 1990. You can apply to the High Court if you believe:

- (1) the order is not within the powers of the Town and Country Planning Act 1990; or
- (2) the requirements of the 1990 Act or Town and Country Planning (Trees) Regulations 1999 have not been met.

You must apply to the High Court within six weeks from the date of our decision.

Head of Development and Growth

**Section 69**

(1) Every local planning authority shall keep a register containing information with respect to matters relevant to tree preservation orders made by the authority.

(2) The register shall contain, as regards each such order—

- (a) details of every application under the order and of the authority's decision (if any) in relation to each such application, and
- (b) a statement as to the subject-matter of every appeal under the order and of the date and nature of the Secretary of State's determination of it.

.....

(5) Every register kept under this section shall be available for inspection by the public at all reasonable hours.

**Section 70**

(1) Subject to subsections (1A) and (1B), where an application is made to the authority for consent under a tree preservation order—

- (a) they may grant consent under the order, either unconditionally or subject to such conditions as they think fit (including conditions limiting the duration of the consent or requiring the replacement of trees); or
- (b) they may refuse consent under the order.

(1A) Where an application relates to an area of woodland, the authority shall grant consent so far as accords with the practice of good forestry, unless they are satisfied that the granting of consent would fail to secure the maintenance of the special character of the woodland or the woodland character of the area.

(1B) Where the authority grant consent for the felling of trees in a woodland area they shall not impose conditions requiring replacement where such felling is carried out in the course of forestry operations (but may give directions for securing replanting).

.....

## Section 75

Any grant of consent under a tree preservation order shall (except in so far as the consent otherwise provides) ensure for the benefit of the land to which the order relates and of all persons for the time being interested in it.

## Section 78

(1) Where the authority—

- (d) fail to determine any such application as is referred to in paragraphs (a) to (c) within the period of 8 weeks beginning with the date on which the application was received by the authority,

the applicant may by notice appeal to the Secretary of State.

.....

(3) Any appeal under this section shall be made by notice in writing addressed to the Secretary of State, specifying the grounds on which the appeal is made; and such notice shall be served—

- (b) in respect of such a failure as is mentioned in paragraph (d) of that subsection, at any time after the expiration of the period mentioned in that paragraph, but if the authority have informed the applicant that the application has been refused, or granted subject to conditions, before an appeal has been made, an appeal may only be made against that refusal or grant.

(4) The appellant shall serve on the authority a copy of the notice mentioned in subsection (3).

(5) For the purposes of the application of section 79(1), in relation to an appeal made under subsection (1)(d), it shall be assumed that the authority decided to refuse the application in question.

.....

**Section 79**

(1) On an appeal under section 78 the Secretary of State may—

- (a) allow or dismiss the appeal, or
- (b) reverse or vary any part of the decision of the authority (whether the appeal relates to that part of it or not),

(2) Before determining an appeal under section 78 the Secretary of State shall, if either the appellant or the authority so wish, give each of them an opportunity of appearing before and being heard by a person appointed by the Secretary of State for the purpose.

.....

.....
