**Tree Preservation Order:**

**SOUTH KESTEVEN DISTRICT COUNCIL (LAND AT 1 RECTORY LANE,  
HARLAXTON) TREE PRESERVATION ORDER 2020**

On 4 November 2020 we made the above tree preservation order, and sent you a copy.

We have considered whether or not the order should be confirmed (or in other words, made permanent). On the *7 April 2021* the Council decided:

**To confirm the order**

Being prominent in the landscape, the sycamore tree T1 may be easily seen from Pond Street and Rectory Lane, and by a lesser amount from Church Street. It has a high degree of merit as a visual amenity whose loss would harm the leafy character of the conservation area and its enjoyment by members of the public. The sycamore tree T1 is important to the biodiversity of the area with significant wildlife benefits. Its flowers provide pollen and nectar for insects. For more information about our decision, please contact Catherine Sutton on 01476 406080.

If you wish to cut down, top or lop any of the trees described in the first schedule of the order and shown on the map enclosed with the order permission must be obtained from South Kesteven District Council before any work is carried out on the trees. If you require help or information please contact the Council's Development Management Services, South Kesteven District Council, Council Offices, St Peter's Hill, Grantham, NG31 6PZ.

If you disagree with our decision you can challenge it by applying to the High Court under section 284 (validity of development plans and certain orders, decisions and directions) of the Town and Country Planning Act 1990. You can apply to the High Court if you believe:

- (1) the order is not within the powers of the Town and Country Planning Act 1990; or
- (2) the requirements of Town and Country Planning (Tree Preservation) (England) Regulations 2012 have not been met.

You must apply to the High Court within six weeks from the date of our decision.
