External auditors do not act as a substitute for the audited body's own responsibility for putting in place proper arrangements to ensure that public business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

We are committed to providing you with a high quality service. This report summarises the key findings from our 2014/15 audit of South Kesteven District Council (the Authority).

Although this letter is addressed to the Members of the Authority, it is also intended to communicate these issues to key external stakeholders, including members of the public.

Our audit covers the audit of the Authority's 2014/15 financial statements and the 2014/15 VFM conclusion.

All the issues in this Annual Audit Letter have been previously reported. The detailed findings are contained in the reports we have listed in Appendix 1.

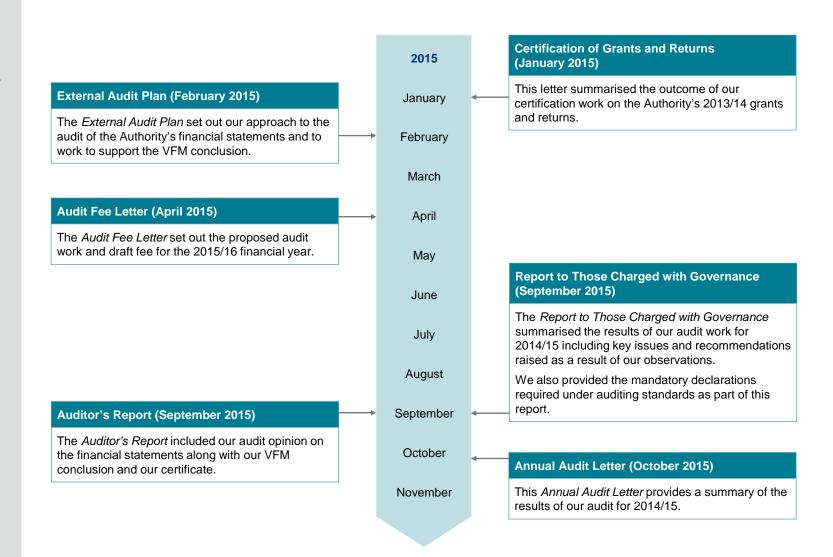

VFM conclusion	We issued an unqualified conclusion on the Authority's arrangements to secure value for money (VFM conclusion) for 2014/15 on 28 September 2015. This means we are satisfied that that Authority had proper arrangements for securing financial resilience and challenging how it secures economy, efficiency and effectiveness.
	To arrive at our conclusion we looked at the Authority's financial governance, financial planning and financial control processes, as well as the arrangements for prioritising resources and improving efficiency and productivity.
VFM risk areas	Our initial risk assessment took into account the Authority's key business risks which are relevant to our VFM conclusion. We considered the actions being taken by the Authority to achieve the savings identified in the budget as required in 2015/16, with nearly £1.5m in total targeted for the General Fund and Housing Revenue Account. We also considered your response to the June 2015 budget proposal that councils' reduce housing rents by 1% in each year from 2016/17 to 2019/20. The Authority is continuing to evaluate the impact of the expected £10.5m reduction in rent income on its HRA business plan. We were satisfied that sufficient work in relation to these matters was being carried out by the Authority to mitigate the audit risks for our VFM conclusion. We concluded that we did not need to carry out any specific additional work ourselves.
Audit opinion	We issued an unqualified opinion on the Authority's financial statements on 28 September 2015. This means that we believe the financial statements give a true and fair view of the financial position of the Authority and of its expenditure and income for the year.
Financial statements audit	We reported any significant matters arising from the financial statements audit to the September 2015 Governance and Audit Committee in our Report to those Charged with Governance. We did not need to report any significant audit differences to the Committee and officers made all the expected amendments to the financial statements. We made two recommendations intended to further improve the accounts production arrangements for next year.
Annual Governance Statement	We reviewed your <i>Annual Governance Statement</i> and concluded that it was not misleading or inconsistent with other information we are aware of from our audit of the financial statements.
Whole of Government Accounts	We carried out the mandated audit work in relation to the consolidation pack which the Authority prepared to support the production of Whole of Government Accounts by HM Treasury. There are no matters arising from this work.
Certificate	We issued our certificate on 28 September 2015. The certificate confirms that we have concluded the audit for 2014/15 in accordance with the requirements of the <i>Audit Commission Act 1998</i> and the Audit Commission's <i>Code of Audit Practice</i> .
Audit fee	Our fee for 2014/15 was £63,030, excluding VAT (£63,030 in 2013/14). Further detail is contained in Appendix 2.
